Summer Finale 09

What a fabulous Day and Evening.

Congratulations to all our Champions and prize winners, there were some very strong classes, and the quality and standards of ponies and riders forward, were a credit to Scottish Branch. Our team of Judges all commented on the excellent classes that they had great pleasure in judging throughout the Event.

The Finale Show Committee would like to take this opportunity to thank, very sincerely, everyone who generously sponsored this event: Sponsorship of our Evening Performance, Championships, Classes and Catalogue Advertising is what generates the funds necessary to make the show "possible" from a Financial perspective.

Thank you also, to all of our Competitors, the entries for this Show are growing fast, and we were delighted with the level of attendance, entries received, and the excellent ring-side support.

Lastly, but certainly not least, The Stewards, Course Builders, Ringside Team, Show Secretary, Commentator and Music Mixer.... What a **fabulous** job you all did, the Show ran extremely well, and we cannot thank you enough for your hours (and hours!) of hard work, your support and effort, is what makes this Show "happen" at all.

So, on behalf of Gillian, Fiona and Myself....

Roll on 2010
